

The perfect two-night itinerary at The Pigs

Day one - Arrive & unwind

1pm

Arrive at The Pigs, park up in our car park, head inside, and let the unwinding begin. Your room isn't ready just yet, so settle into the Lounge, just off the bar, and order yourself a drink and play a game of pool on our pink pool table!

3pm

Your room is ready. A chilled bottle of fizz is waiting. Everything you need is here, so unpack at your own pace and relax.

Afternoon (treatment times will be confirmed prior to arrival)

Time for your 45-minute treatment, included in your Best of Pigs package. Switch off and enjoy every minute.

Afterwards, spend some time in the relaxation room. Think heated waterbeds, herbal tea, and a light sorbet to refresh and rehydrate.

6:30pm

Head to the restaurant for handmade cocktails and a hearty dinner of classic British flavours and locally sourced ingredients...make sure you leave space for dessert!

9pm

Back to your room. Open the fizz, toast marshmallows over the firepit, and settle into an evening of quiet conversations and low light. Or stay in and make the most of your in-room spa - it's up to you. Climb into bed and drift off easily. Days like this tend to do that.

Day two - Lazy mornings and exploring North Norfolk

9am

Coffee first, courtesy of your in-room larder. Enjoy it in bed or out in your courtyard. Brunch is ready whenever you are. Choose a hot dish from the menu and help yourself to pastries, fresh fruit, and other continental options. There's no rush if you'd rather stay in a little longer; brunch is served until 2pm.

12:30pm

The Georgian market town of Holt is just 10 minutes away and perfect for a gentle wander and independent shopping. Park at [Albert Street](#) Pay & Display.

[Bakers & Larners](#) is Holt's own luxury department store, known for its iconic food hall, while [Make Holt](#) is known for handmade gifts from local artists and makers. If shopping for clothes is more appealing, then try [Finisterre](#) for surf style and outdoorwear, or [Gun Hill Clothing Co](#) for big brands in premium country fashion. Holt has everything from art galleries, independent eateries, and boutiques to explore at your own pace.

1:30pm

Stop at Henry's Bar for something cold. With exclusive VIP access via The Pigs' sister property [Byfords](#), make the most of this residents-only space. Settle in with a Rum and Cinnamon Scuttle or a Quenched Lavender Martini, and relax in the characterful, ironmonger-themed bar. Our reception team will give you your Henry's VIP pass when you check in.

3pm

For a little more fresh air, head to the stunning Norfolk coast. Sheringham is just 15 minutes away, ideal for an ice cream and a walk along the promenade.

Try [Aloha](#) or [Ellie's](#) for ice cream, or visit [Crumble Crib](#) for a fully customisable crumble. All three are located on the high street, so park at the [Station Road](#) car park and walk down towards the clock tower for the easiest route to the seafront.

Alternatively, head back to The Pigs for a cocktail and soak up the sun in our outdoor seating areas.

4pm

The rest of the afternoon is yours. No plans, just time to make the most of your in-room spa facilities.

7pm

Stay in tonight. Order room service, pour something cold, and make the most of having your own spa space for the evening.

9:30pm

Light the fire pit, toast marshmallows, and let the evening settle. No plans, no rushing back, no reason to call it a night before you're ready. Grab a nightcap at the bar if you fancy it.

Day three - Make the most of your room

9am

Another slow morning. No alarm, no rush. Your room is yours until 11am, so take your time. Have tea or coffee in the courtyard, enjoy the fresh air, and fit in one last sauna if you can.

11am

Check out, then wander down for brunch. No need to hurry.

When you're ready, ease back into the outside world, fed and relaxed, not quite ready to leave.
